Grown in the rich sandy loam of the Missouri Valley. Full of life, cured right, packed right and Priced Right.

All stock is true to name; any proving otherwise I will gladly replace two for one.

My stock is free from disease and inspected by the Missouri State Plant Board.

Every bulb and bulblet is sold under my iron clad guarantee that you are to be satisfied or you may return at my expense.

#### TERMS

My terms are cash with order.

Charges prepaid to all points in the United States on orders amounting to \$2.00 or more.

5% discount on orders of \$25.00 or more, 10% on orders of \$50.00 or more.

Stock of some varieties is limited and orders will be filled in the order received. No substitution, either in size or varieties without permission, except that I sometimes send a larger size than ordered. Permission to substitute is very helpful to me, and when given I will show my appreciation by giving extra bulbs and count.

You may send 25% of the amount of your order and I will hold bulbs for spring shipment.

All stock subject to prior sale or conditions beyond my control.

Single bulbs at 1/4 the 10 price, 5 bulbs at the 10 rate, 25 bulbs at the 100 rate and 1000 bulbs at nine times the 100 rate. Where less than half the quantity quoted is ordered add 20% to price quoted.

Each single item must be for not less than 10c.

**Mixtures** There are many persons who like to grow flowers for cutting and do not care for the names of varieties. To supply this need, I offer ten varieties from my named sorts in assorted sizes from one-half inch to one and one-half inch at \$2.00 per hundred.

Or I will select twenty varieties, five of each kind, and label them at the following prices:

Per 100: No. 1, \$5.00; No. 2, \$4.00; No. 3, \$3.00; No. 4, \$2.25.
